

DHRUV MAHAJAN

B.Tech CSE (AI) Student | Aspiring AI/ML & Software Engineer

Vadodara, Gujarat, India | +91 9699119930 | mahajandhruv287@gmail.com

LinkedIn: linkedin.com/in/dhruv-mahajan-0a15213a0 | Portfolio: dhruv0450.github.io/My-Portfolio-/

PROFESSIONAL SUMMARY

Second-year B.Tech Computer Science Engineering (AI) student with hands-on exposure to web development, SQL, and AWS cloud fundamentals through coursework and self-built projects. Combines a growing technical foundation with leadership experience coordinating teams and student outreach in campus and startup settings.

TECHNICAL SKILLS

Programming Languages: C, C++, Python, Java

Web Development: HTML, CSS, JavaScript

Backend & Database: SQL, Supabase, PostgreSQL, Authentication, Database Management

Cloud: AWS Cloud Basics

Developer Tools: GitHub, VS Code, Git

Core Concepts: Problem Solving, Web Development Fundamentals, Artificial Intelligence Fundamentals, Machine Learning Fundamentals, Data Structures & Algorithms, REST APIs

TECHNICAL PROJECTS

Personal Portfolio Website

Tech Stack: HTML, CSS, GitHub

- Designed and developed a responsive personal portfolio website using HTML and CSS to present technical projects, skills, and contact information.
- Structured the site for clean UI and intuitive navigation, prioritizing readability across sections.
- Deployed and version-controlled the project using GitHub for ongoing updates.
- Continuously iterating on the site to add new projects and features as skills develop.
